

Cookie Version 1.00

Read Me

Features

- Multiple Cookie Files, which are only loaded in as needed
- Supports two different cookie formats
- Display cookies on timer
- Kill program after certain amount of time has passed
- Very tasty info panel
- Comes with four great cookie files

Contents

- Cookie - The Program
- cookie.filters - Cookie filters from Paul Lynch, not sure who wrote them...
- ReadMe.ps - This file
- Manual.ps - The Manual
- Cookies - Cookies for your enjoyment

Some settling of the contents may have taken place during transit. (Ahh hahah, hahahaha hahaha... oh dear... Sorry)
